JAFFNA DISTRICT

Situation update

- On 22 November, rainfall of 719.4 mm and cyclonic winds up to 80km/hr caused severe damage and widespread flooding in the Jaffna peninsular. In some areas the situation worsened due to blocked drainage canals. Causeways were flooded, temporarily isolating the Islands off the main Peninsula. Government Agent Jaffna held a meeting on the 26 November 2008 where he requested support from Government partners, UN agencies, INGO, NGOs to assist the affected populations. Primary needs include food, shelter and water/sanitation and non-food related items. For more detailed information on the Northern floods see IASC flood situation reports: http://www.humanitarianinfo.org/srilanka_hpsi/Catalogues.aspx?catID=72
- The security situation remains tense across Jaffna District Areas close to FDL in Muhumalai and Nagarkovil and fighting persisted despite the floods.

Displacement>Returns

- 9,146 families (33,558 individuals) were displaced to 124 IDP camps due to the floods. A total of 32,024 families (118,273 individuals) were affected.
- GA office reports that 1,941 houses were completely damaged and 5,104 houses were partially damaged.

Sector Developments/ Gaps

- GA Jaffna is providing cooked meals to the displaced for seven days.
- Agencies are utilizing stocks of relief items in the district to provide for the affected people.

KILINOCCHI & MULLAITHIVU DISTRICTS

Situation update

- The situation in the Vanni continues to be tense. Throughout the week significant confrontations took place in the outskirts of Kilinochchi town as well as at the northern FDL in Muhamalai.

Sector Developments/Gaps

- The problems faced by thousands of IDPs recently displaced by conflict have been compounded by heavy rains which have caused widespread flooding in both Kilinochchi and Mullaithivu Districts. Many main roads are cut-off including Paranthan to Puthukkudiyiruppu and Puthukkudiyiruppu to Oddusuddan. Additionally the Ramanathapuram and Vadakachchi areas are cut off and accessible only by boat. Three people reportedly died after being swept away by flood water.
- In Kilinochchi, 40,000 IDP families are reported to have been displaced by the floods while a further 5,000 resident families have been affected. The GA in Kilinochchi has reported that 5,000 families are accommodated in schools and where meals are being provided. All school buildings are occupied.
- In Mullaithivu District, an estimated 21,200 families have been displaced by the floods, a large portion of whom were already displaced by the conflict.
- As previously reported there were large gaps in shelter and wat/san facilities in the Vanni before the floods. With these developments, the risk of water-borne disease has increased.
- Government authorities from both districts have listed the following needs for the conflict and now flood-affected: at least 50,000 tarpaulins, shelter and toilet material for more than 65,000 families, cooked meals at schools, general food distribution and medicines to address communicable and water borne disease.
- The GA convoy has been unable to proceed to the Vanni since 20 November, due to a combination of conflict and more recently flooding on the Nedunkernyi-Puliyankulam roads. The UN Humanitarian convoy was similarly disrupted and last traveled to the Vanni on 21 November. The convoy is scheduled to leave on 09 December.
- The Omanthai checkpoint has been closed for civilian traffic since 18 November and special openings for convoys and medical emergencies.
- Shelter agencies are coordinating on organizing five truckloads of shelter materials, which the Commissioner General of Essential Services indicated will be granted clearance to travel with the next UN Humanitarian Convoy.

MANNAR & VAVUNIYA DISTRICTS

Situation update

- In Mannar, several villages and approximately 6,000 families were affected by heavy rains this week.
- Shelling continued in the evenings towards the northern Omanthai area from Vavuniya town.
- The Omanthai entry/ exit point was closed for civilian traffic during the reporting period. However, emergency cases including patient transfers or official government convoys continue to be facilitated by the ICRC.

Displacement>Returns

- Since 21 November, 335 IDP / 138 families have crossed Omanthai into government controlled areas, where they were registered and taken to a school and community hall in the Menic Farm area. The IDPs are being provided government assistance.

Sector Developments/Gaps

- At the 27 November coordination meeting chaired by the Mannar GA, it was agreed that SLRC, DRC and Sarvodaya would be in charge of providing NFRIs to people displaced by floods in the district.
- On 21 November, the UN led 6th food convoy reached the Vanni with 665 MT of mixed food, 20,000 units of detergent soap and 3,000 mosquito nets. Jerry cans were not allowed despite initial approval.
- UNICEF coordinated and chaired the WASH sector sub-group coordination meeting on 25 November. The meeting focused on ways to enhance follow-up on WASH demands given the dynamic environment.
- A WASH household survey on the hygiene and sanitation status in Vavuniya DS Division has commenced under the supervision of the Health Department and carried out by hygiene promoter trained on WASH assessment techniques. The survey is funded by UNICEF.

- The first Infant & Young Child Feeding (IYCF) counseling training is being conducted in Vavuniya for 39 health staff including MOH, PHM, PHI and Nursing Staff from 24-28 November. The workshop is facilitated by trainers from Lady Ridgeway Hospital Colombo, the Family Health Bureau, the Ministry of Health and Medical Officer/ Maternal and Child Health (MOMCH) Vavuniya. The trainers were trained by UNICEF in Colombo and the training is funded by UNICEF and GAVI.
- An assessment was carried out by UNICEF, ZED Vavuniya South and North and SCiSL in 13 schools located near proposed IDP locations in Menic Farm, Kovil Puliyanakulam and Kalnatiyakulam. The objective of the assessment was to recommend action for readiness of sites to cope with a possible influx of displaced students.
- UNICEF and SCiSL followed-up with ZDE Vavuniya North and the principal of Cheddikulam school, currently housing IDPs, to assess possible additional needs of displaced students in sitting for examinations and to advocate for a smooth examination process.
- UNICEF coordinated and chaired the first education sector sub group meeting on 26 Nov. Biweekly meetings on the Vanni to feed into the larger education coordination meeting chaired by the ZDE with a standing agenda, were agreed.

TRINCOMALEE DISTRICT

Situation update

- The situation in the district remained generally stable. Security forces continue to conduct cordon and search operations on a daily basis, especially in Trincomalee town areas.
- Heavy rains hit Trincomalee District from 22 to 25 November, mainly affecting Kinniya, Muttur, Town & Gravets and Kuchchaveli DS Divisions. DRMU in Trincomalee reports, 1,562 families (7,197 persons) were affected by the rains, 345 families were temporarily displaced (of whom most were temporarily accommodated with relatives or friends). Approximately 277 acres of land was flooded and the pedestrian bridge between Afa Nagar and Muttur was washed away. In Kinniya, 14 GN divisions were seriously affected by the flooding and on 26 November, the DS of Kinniya held a coordinate meeting to request support from the humanitarian community. In Kuchchaveli DS, 35 individuals in Kuppuruppiy and 193 in Kasseem Nagar moved temporarily to welfare centers and were provided with cooked meals and NFRIs by the SLRCS. The ferries at Yanoya and Padavaikattu in Kuchchaveli are out of order following the adverse weather conditions. Rains stopped on 27 November, water levels receded and most of those displaced returned back to their homes.
- On 27 November, a Confidence Building and Stabilization Measures Project (CBSM) meeting was organized by the Ministry of Disaster Management and Human Rights, during which the role of the CBSM was discussed and a Trincomalee District Steering Committee was established.
- In Chenaiyoor, several UXOs were found during the past two weeks. One UXO was referred to the District Mine Action Office (DMAO) for removal and another UXO was removed by the Sri Lankan Navy.

Displacement>Returns

- Due to the heavy rains and flooding, authorities have decided to stop return movements until after the rainy season.

Sector Developments/Gaps

- The Morawewa, Serunuwera, Thiriyai and Mahadivulwewa hospitals are still without doctors, following the killing of a Sinhalese Doctor in Batticaloa (see sitrep # 153). Since 18 November, three doctors from Kiliveddi, Thoppur and Thampalagamam hospitals and three from Muttur hospital have left the district. Ten medical doctors from various units in the Trincomalee General Hospital have left, although the services of Sinhalese consultant doctors have continued.
- The Health & Nutrition review and planning session was conducted in Kandy from 21-22 November with the participation of the Health Minister and district and national level counterparts and also the regional epidemiologist and the Trincomalee based Medical Officer/ Maternal and Child Health (MOMCH). The final plan will be drafted during the second week of December
- Toilets at Kiliveddy and Manachenai IDP transit site flooded and the gully sucker were damaged due to the rains. The Predashiya Saba and ACLG are seeking assistance to bring the Trincomalee Urban Council gully sucker to the IDP transit sites.
- UNICEF and PIN completed a baseline survey at resettlement villages in Eachchilampattai, Seruwela and Muttur division. The assessment findings will provide information on existing water and sanitation facilities, gaps and will make recommendation for actions.
- At the 25 November monthly coordination meeting in Morawewa, the DS highlighted urgent shelter needs of forty returnee families who are currently living under tarpaulins.
- On 26 November, a Disaster Preparedness meeting was organized by DS in Morawewa.

- On 27 November, FLICT (Facilitating Local Initiatives for Conflict Transformation), a project based on an agreement between the Ministry of Constitutional Affairs and National Integration and GTZ, organized a workshop to identify the conflict transformation and peace building needs, actors and strategies in Trincomalee. Issues identified included human security, ethnic issues and distrust in administrative structures.
- On 25 November, PIM supported the opening ceremony of an herbal garden took place at the Eastern University in Town & Gravets. .

BATTICALOA DISTRICT

Situation Update

- A heightened and unpredictable security situation prevails in Batticaloa district due to increased levels of security incidents. A higher level of alertness is maintained by the Security Forces and Police across the district to ensure safety and security. The number of cordon and search operations that are conducted by the Security Forces and Police in the area has also increased.
- On 27 November, a national staff of NRC was killed. Five other killings took place on the same day.

Displacement>Returns

- Government statistics as of 18 November 2008 show there are 8,543 IDPs (2,274 families) in the district. Among them, 3,272 persons (947 families) originate from Trincomalee District.

Sector Development/Gaps

- UNICEF supported UNIMIX (1,600 packets) were distributed to all Nutrition Rehabilitation Programmes (NRP) being implemented by MOHs. MOHs will be distributing UNIMIX to all children who are in the -2 SD (second degree malnourished) category.
- The curative care services in Batticaloa district have not returned to normal since the departure of around 60 doctors from the district following the killing of a doctor at Navatkadu hospital.
- The District Education Coordination meeting headed by the GA was held on 24 November. According to the GA, NECORD neither has funds to repair nor reconstruct any schools in resettlement areas. Two tsunami schools in Paddiruppu and one school in Kalkudah have not been reconstructed due to termination of construction by the donors. Furniture for teachers and students are needed in resettlement areas. Education activities have not fully resumed in resettlement areas as a result of families not being adequately resettled, with sufficient shelters.

AMPARA DISTRICT

Situation update

- The security situation in Ampara remains stable. However, the security forces remain on high alert and regularly conduct cordon and search operations.
- Military operations continue in the Kanchikudichiaru area.

Displacement>Returns

- Neither displacement nor returns took place.

Sector Developments/Gaps

- WFP has successfully completed six Food-for-Work projects out of 21 in Sammanthurai, Eragama and Akkaraipattu DS Divisions. The second round of Food for Work projects will commence in Alayadiwembu based on the Vulnerability Analysis Mapping.
